Jim and June Webb

Dedicated in memory of James W. Webb

James "Jim" W. Webb left an indelible mark on Eagle Ranch. His deep love and concern for the children and mission of the Ranch led to over three decades of service on the Board of Directors. Jim was instrumental in initiatives promoting excellence and vision. His long-term wish was to see Eagle Ranch expand its reach to more children and families in our community. The Wings Center is the fulfillment of that wish.

Today, Jim's wife, June, and their family continue Jim's legacy of support and advocacy of The Wings Center and Eagle Ranch.
